Midwifery Regulatory Council
of Nova Scotia

Suite 300
120 Western Parkway
Bedford NS B4B 0V2

WELCOME
TO THE TEAM!

We have a New Council Member

The Midwifery Regulatory Council of Nova Scotia is pleased to announce the recent appointment of a new public representative joining our Council of Directors, effective April 30, 2024.

Jolinne Kearns has over a decade of progressive communications experience in several sectors including professional regulation, public health, tech and post-secondary education. With a MA in Public Relations from Mount Saint Vincent University, her areas of interest and expertise include stakeholder relations, strategic planning, corporate communications, and relationship building. She is a Franco-Ontarian originally from Northern Ontario, and now resides in Herring Cove, Nova Scotia.

Jolinne's passion for the profession of midwifery comes from her experience working with one of the Council's members during the birth of her second child. The quality of care made for a positive experience beyond words.

Welcome to the Council, Jolinne. We are proud to have you on board!

Each year on May 5th, we celebrate the profession of midwifery and recognise the work of midwives, and their contribution to maternal and newborn health.

The Council met on May 21st for their Quarterly Meeting.

MRCNS and the Nova Scotia College of Nursing (NSCN) have received official direction from the NS Government to amalgamate as one regulatory body by the summer of 2026.

What's New
